# **ACADEMICS**

## **ACADEMIC INTEGRITY**

All schoolwork submitted for the purpose of meeting course requirements must represent the individual efforts of each student. Any form of academic dishonesty is prohibited.

Academic dishonesty, cheating, and plagiarism are defined as the following:

1. "Plagiarism occurs when an individual takes the writings and/or ideas of another person and presents them as his/her own. Plagiarized ideas may be taken from written materials such as books, newspapers, and magazines, as well as electronic media including the Internet, videos, and tapes or CDs/DVDs. Examples of plagiarism include the following:
  - a) buying/downloading a paper from a term paper mill;
  - b) copying material from the source text without citing the source;
  - c) copying material from the source text, citing the source, but omitting the quotation marks;
  - d) and paraphrasing the source text without proper citation."
2. Allowing another person to copy your work and submit it as his/her own.
3. Doing another person's work for him/her.
4. Buying or selling work or answers.
5. Providing another person with answers to homework, tests or quizzes.
6. Copying or stealing teachers' answer keys or teacher's edition texts.

## **CODE OF ACADEMICS**

### **Code of Academics Attendance Policy**

STUDENTS MUST ATTEND A FULL DAY OF CLASSES IN ORDER TO PARTICIPATE IN A SCHOOL-SPONSORED ACTIVITY (e.g., athletics, Prom, Homecoming) OR PRACTICE. (Exception: Family emergency, medical, dental or clinical appointments; and school-sponsored trips.)

## **COLLEGE ENTRANCE REQUIREMENTS**

Since each university and technical college has somewhat different entrance requirements, we ask that individual students visit the School Counseling department for information on what classes will best meet their needs.

## **DROPPING/ADDING CLASSES**

When students and parents take the time to plan a schedule for the following year they pass that information along to the RAHS School Counseling department who, in turn, put a great deal of effort into creating schedules to best meet the needs of our students. With this in mind there will be very few schedule changes, if any. A student may request a schedule change with the School Counseling Department. This could be a drop or add. There needs to be a compelling reason for the change to take place. Students have one week after the beginning of each semester to drop or add a class with no consequences, such as receiving an "F" for the class. The final decision on all schedule changes will be made by administration.

## **GRADUATION CEREMONY SCHOOL BOARD POLICY**

As participation in the actual graduation ceremony is a privilege rather than a right, a student must have completed all of the requirements in order to participate in the graduation ceremony.

The graduation ceremony shall be reserved for those senior students who:

1. Meet all the credit and class requirements as outlined in Board Policy 345.5. (Coursework must be completed and passing grades must be submitted prior to the ceremony.)
2. Attended school at least 90% of the school days/class periods in both the first and second semester of their senior year. When absences exceed nine days or 63 class periods per semester, the student's individual situation must be reviewed by the high school administration. The principal may reinstate the privilege of participating in the ceremony.
3. Participate in graduation practice. The principal may waive this.
4. Abide by the rules for participation in the ceremony as established by the high school administration (free from the influence/use of drugs and alcohol, proper dress, no noisemakers, etc.)
5. Have not been suspended (either in-school or out-of-school) during the week prior to or the week of the graduation ceremony.
6. Have resolved all fees, fines and any other obligations prior to the practice session.

## **INSTRUCTIONAL MATERIALS CENTER (IMC)**

The IMC is open most days from 8:00 a.m. to 4:00 p.m. (except Fridays and early releases) for students to use and/or check out materials for up to two weeks. Materials damaged or lost will be the responsibility of the student who checked them out. If materials are not returned by the due date or paid for, the following may occur:

1. Use of the IMC facilities during study hall or before/after school may be denied,
2. Computer/Technology access may be rescinded.

## **MAKE-UP PROCEDURES FOR ABSENCES**

1. If a regular assignment is due on the same day an excused absence occurs, the student will be expected to turn in the assignment immediately upon returning to school. A student with an excused absence on the day the assignment is given will be allowed the number of days absent plus one to turn in their work without risk of a late penalty. Tests and quizzes are the exception, in which case the student is responsible for contacting the teacher and setting up an appointment upon his/her return to school. If a student is unexcused absent, the teacher is not obligated to accept the student's homework, project, etc.
2. Teachers may set a deadline for long-term, major assignments. Regardless of whether a student is absent or present on the due date, students are expected to turn in such assignments on the date set by the teacher unless prior arrangements are made with the teacher.
3. Students who miss part of a day (Student Council meetings, athletic contests, field trips, etc.) are responsible for obtaining the assignments and/or preparing for quizzes or tests as assigned by the teacher and are held to the same timeline as if they had been present in class that day.

Please note: Homework will only be collected for students who miss **three or more consecutive days**. Parents may call the School Counseling Office at extension 1158 to make the request. Students are responsible for securing all work missed for other absences.

## **STUDY HALLS**

Due to the complexity of our schedule, it is necessary for students to have regularly scheduled study hall. The following are the basic rules:

1. Students must use the sign-out sheet when they leave with a pass.
2. Students will be allowed to sign out of study hall to go to lockers with a hall pass from the supervisor.
3. Students are expected to bring books and other schoolwork to study halls.
4. Music devices are permitted in study halls with the supervisor's permission.

\*Seniors may obtain release privileges from 1st or 7th hour study hall depending on GPA, attendance, and discipline record. Students with off campus privilege are expected to be off campus during this time.

## **TECHNOLOGY USE/DISTRICT NETWORK & INTERNET CODE OF CONDUCT**

Computers, District networks, the Internet, and other technologies are installed in the schools for the benefit of all learners. In order for the technology to be available and in working order for all the students and staff the following guidelines must be adhered to:

- do not remove or exchange any hardware or software components from any system;
- do not delete, rename, move, copy or change any file or its properties, other than your personally owned files;
- do not tamper with installed software and files;
- do not attempt to gain access to unauthorized files;
- do not attempt to change passwords;
- do not damage other students' work;
- do not tamper with any hardware
- do not install personal software on school technology;
- do not install, copy, or knowingly infect a computer system with a virus;
- do not intentionally waste limited resources (paper, toner, storage space, etc.);
- do not violate copyright laws by unauthorized copying of software or digital media.

## **DISTRICT NETWORK AND INTERNET CODE OF CONDUCT**

In addition to the general guidelines listed above, the following guidelines are expected behaviors not only within the confines of the school building but also the cyber spaces of school networks and the Internet:

- do not send or display offensive messages or pictures;
- do not use obscene language;
- do not harass, insult or attack others;
- do not use an account owned by another user;
- do not employ the network for commercial purposes;
- do not use the network for any illegal activity;
- do not post any anonymous messages. Always identify yourself;
- do not reveal the name, personal address or phone number of students or staff
- respect the privacy of others;
- do not use the district's computers to bypass the filtering software, violate the school's code of conduct or the district's educational goals, or show others how to do the same thing.

Consequences for not adhering to the general technology use and Internet code of conduct are as follows:

1. Violations may result in a loss of access.
2. Additional disciplinary action may be determined at the building level in line with existing practice regarding inappropriate language or behavior.
3. When applicable, law enforcement agencies may be involved.

## **TEXTBOOKS**

Students are held financially responsible for loss or damage to school materials checked out in their name. Teachers will expect students to cover textbooks within two or three days of issue. Students will be charged for any damage that is determined to be above and beyond normal wear and tear.

## **VIDEO**

Be advised that the RAHS campus is under 24 hour surveillance with cameras throughout the building and campus.

The use of any video device or cell phone recording is prohibited in all bathrooms and locker rooms.

# EXPECTATIONS

## ATTENDANCE REGULATIONS

**State Law under Articles 118.15, sub-sections 1-5 state: “Any person having under control a child who is between the ages of 6 and 18 years of age shall cause such a child to attend school regularly during the full period and hours.”**

It is important for all RAHS students to establish a positive attendance record. Absence from school, whether excused or unexcused, often has an adverse effect upon a student's academic progress. Learning takes place in many ways and places, and the best policy is to be in the right place at the right time. The learning atmosphere in a classroom is such that optimum conditions for education should result for the student. The exact situations, demonstrations, and activities can never be repeated for those pupils who miss a class or day of school. Substitute assignments for time missed will help, but keep in mind they are just that, substitute assignments. Each student at RAHS should be in every class or study hall for which he/she is scheduled each day school is in session. **When a student must be absent for illness or other emergency reason, parents are to contact the high school office (524-4327, ext. #1101).**

If the parent does not notify the attendance office on the day of the absence or prior to the day thereof, they are required to send a signed note, call or send an email stating the reason for the absence when the student returns. Students returning during the day must check in at the office before returning to class. All absences must be cleared up within 48 hours.

Excused absences will be for serious illness, injury, medical appointments, death in the family, family emergencies, and school sponsored trips or when prior arrangements have been made with the principal or associate principal. An excused absence allows the student to make up missed assignments and/or class time. The student assumes responsibility for requesting and completing make-up assignments. Students knowing that they will miss school in the future should provide a parental note which states the reason for the anticipated absence. If the reason for the absence is approved by the principal, the student has the responsibility of clearing all assignments and obligations for each class before leaving for the requested days.

***Going to haircut appointments, job interviews, working during school hours, taking pleasure trips, taking care of personal business, using the excuse “needed at home,” etc. are not acceptable excuses for missing school.***

Wisconsin State Statutes pertaining to school attendance are in effect in addition to the above items.

### EXCESSIVE ABSENCES

When a student has accumulated 10 absences in a school year, whether excused or unexcused, they are considered to be excessively absent. The state allows parents to excuse their child up to 10 days in a given school year. After the 10 days the student will be required to provide documentation from a doctor or other health care professional, a probation officer or social worker, police officer or judge in order to be excused.

### PASSPORTS

Passports will be issued if any student needs to leave school during the day. Passports will be issued only for those reasons that are considered excused. Students who are going to a medical appointment or dental appointment must bring back a slip from the doctor's office verifying the appointment. Students should never leave the building without permission from the attendance office, including the student's scheduled lunch period.

## DISCIPLINE POLICIES AND PROCEDURES

The development of responsible behavior and self-discipline among students occurs at two levels within a school. First, since the students spend the greatest amount of time during the school day in the classroom, the classroom teacher must assume the primary responsibility for gaining the respect and cooperation of the students so that an effective learning environment may be maintained. All teachers must apply their Classroom Assertive Discipline Plan in a manner that is both fair and consistent. The Classroom Assertive Discipline Plan provides a set of clearly established and understood rules and consequences. A copy of this plan will be distributed to the students at the beginning of each course and a copy of each teacher's Assertive Discipline Plan will be kept on file in the office.

Secondly, disciplinary problems that are beyond the scope of the classroom teacher's responsibility and are referred to the office will be dealt with using the **Administrative Discipline Plan**.

## **EXPECTATIONS OF REEDSBURG AREA HIGH SCHOOL STUDENTS**

- *Show respect for self, peers, authority, and the property of others.*
- *Demonstrate integrity through honesty, trustworthiness and loyalty.*
- *Appreciate cultural diversity and individual differences.*
- *Exhibit responsibility through promptness, consistent attendance, dependability and dedication.*
- *Utilize appropriate social skills such as courtesy, cooperation, and appropriate language/dress.*
- *Develop citizenship skills through school and community involvement.*
- *Recognize the value of physical and mental wellness.*

## **ADMINISTRATIVE DISCIPLINE PLAN**

Step 1: Lunch detention

First failure to report will double the detention

Second failure to report results in a day in ISS

Step 2: ASD—Monday - Friday (3:30-4:00)

Failure to report will result in a day in ISS

Step 3: ISS—Monday - Friday

Failure to follow rules will result in an OSS

Step 4: OSS—Parent conference with administration

Step 5: Request for expulsion hearing with the Board of Education

## **LUNCH DETENTION**

Students report to lunch detention in the Attendance Office and are assigned an individual study room. Students are expected to arrive no more than five minutes after they are released from class.

## **AFTER SCHOOL DETENTION (ASD)**

After School Detention takes place in the Attendance Office from 3:30 to 4:00.

## **IN-SCHOOL SUSPENSION (ISS)**

Students who are assigned to the ISS will spend the day in a supervised area for in-school suspension and are required to bring assignments and materials to last the entire day. Students are required to bring their own lunch (no school lunch will be provided). No cell phones, MP3's or other communication/music devices will be permitted.

## **OUT-OF-SCHOOL SUSPENSION (OSS)**

Students who are assigned OSS are not allowed on school grounds for any reason for the entire day (or days) they are suspended. They may not participate in any school related activities during said suspension time.

## **COMMUNITY SERVICE PROJECT**

As part of, or instead of, disciplinary action, the school board, superintendent, principal or designee, may allow a student to perform community service on school grounds, or with written permission of the student's parent/guardian off school grounds, during non-school hours.

## **PROVISIONS FOR THE USE OF THE ADMINISTRATIVE DISCIPLINE POLICY**

1. All teachers will maintain an Assertive Discipline Plan within their classrooms to handle any problems that occur within the classroom. As part of this Assertive Discipline Plan each teacher will incorporate provisions for notifying the parent(s) or guardian(s) when a problem exists within the classroom. Teachers who send students to the office on a discipline referral will contact the parent(s) or guardian(s) regarding the reason for the referral.
2. A disciplinary file will be initiated for each student referred to the high school administration. A record of each violation, as well as the step assigned, will be maintained. Parents will be notified in writing of all violations of the Administrative Assertive Discipline Policy.
3. Normally, a student will be advanced on the Assertive Discipline Policy one step at a time; however, administration reserves the right to exercise discretion depending upon the circumstances of the violation.
4. Students are required to serve their discipline step. A student may not use work, athletic practice/game, etc. as a reason to miss discipline to be served.
5. Students may not participate or practice in any school-sponsored extra-curricular activity until detention hours are completed.

To ensure that standards of good health, safety, and proper educational decorum are maintained, the following standards of good grooming shall apply.

1. Wear clothing that is appropriate for school activities.
2. Avoid garments that are too tight or revealing.
3. Shorts, skirts, and dresses are to be an appropriate length (administrator decision).
4. Blouses and shirts for male and female students are not to be revealing. Open-back shirts, tank tops, tube tops, halter-tops, sleeveless shirts and tops with spaghetti straps are not acceptable.
5. Underwear and undergarments are not to be visible.
6. Shirts that expose the midriff or cleavage are not appropriate.
7. Hats and other head coverings are allowed in all common areas of RAHS. Classroom wearing of such is the individual teacher's discretion.
8. Jewelry should be appropriate and not present a safety hazard. Chains or studded items are not allowed.

## CONSEQUENCES FOR INAPPROPRIATE DRESS

**A good measure of appearance is to remember that an item of clothing that is offensive to one is considered offensive to all and could be a dress code violation.**

## I. HARASSMENT

Harassment is unwanted behavior that interferes with your life. It limits and denies the rights of students to study, work, and play in the school setting. Harassment makes people feel bad. Everyone has a right to not be harassed and the RAHS staff feels strongly that all students should feel safe at school

**Sexual harassment** is unwelcome behavior of a sexual nature.

**Racial harassment** is unwanted comments regarding a person's ethnic background.

**Verbal harassment** is unwanted verbal comments which make a person feel bad or unsafe.

**Physical harassment** is unwanted behavior of a physical nature.

**Intimidation** is unwanted threats to cause harm.

What can you do about harassment?

1. Say stop!
2. Tell someone! Talk to a teacher, counselor or administrator.
3. Keep records! Record what happened, dates, times, places, and witnesses.

Any form of harassment is wrong and will not be tolerated at RAHS. Harassment complaints are investigated and the consequences can include:

- in-school suspension
- parent contact
- out-of-school suspension
- police referral

#### **J. HIGHLIGHTED issues**

**Bags in Class:** At this point in time the staff at RAHS has determined that small bags or purses are allowable in class. Regular size backpacks should remain in student lockers during class. An individual teacher has the right to set policy in his or her classroom regarding bags in class of any kind. The teacher's decision is final. This rule applies to boys and girls alike.

**Cell Phone Use:** Use of cell phones is not permitted in classrooms unless it is approved by the classroom teacher. Each teacher will establish and enforce their own classroom policy regarding these devices. Students may use these devices during the school day anywhere else in the building.

**Food/Drink in Class:** Students are expected to consume food and beverages in the Commons area before, during, and after school hours to help maintain the cleanliness of the RAHS campus. No food or drink other than water in a closed-top container will be permitted in classrooms. Exceptions will only be made for organized class celebrations or food-related educational experiences.

**iPods/MP3's:** Use of iPods/MP3's is not permitted in classrooms unless it is approved by the classroom teacher. Each teacher will establish and enforce their own classroom policy regarding these devices. Students may use these devices during the school day anywhere else in the building. Failure to comply with these restrictions will result in the consequences listed in G5 above.

# **GENERAL INFORMATION**

## **ACTIVITY CARDS**

Our activity ticket plan gives each student an opportunity to enjoy all high school events. The cost of the activity ticket is included in the student registration fee. Our activity tickets will entitle students to admission at all regularly scheduled athletic events, music concerts (school band, orchestra, and choirs), and reduced prices to special events and dances.

Replacement for lost cards is \$10.00 at the time of replacement. Students who show up at a game without their activity tickets will pay the full price of admission.

## **CLOSED CAMPUS**

RAHS has a closed campus. Students are not allowed to leave campus between 8:00 a.m. and 3:25 p.m. without a pass. This includes lunch periods, with the exception of seniors. Students are not allowed to leave for lunch with parents or friends unless cleared with administration.

Students are not allowed in the parking lot at any time during the school day without prior administrative approval.

## **DANCE/PARTY RULES**

1. The closing time for school dances shall not be later than 11:30 p.m. The only exception to this rule is Prom, which must end no later than 12:00 a.m.
2. School dances shall be properly supervised by the advisors of the organization sponsoring the dance.
3. Middle School pupils will not be allowed to attend high school dances.
4. Once students enter the dance, they are to remain in the building. Students leaving the building will not be allowed to return to the dance. The doors to the dance will be closed at 10:30 p.m., and no one will be allowed admittance after this time.
5. No dances shall be scheduled on Wednesday or Sunday nights.
6. All non-RAHS students must have guest passes for admittance to school dances. RAHS students must obtain a guest pass for non-RAHS students. Guest passes will not be issued for students below grade 9 or older than 19. Guest passes may be completed and turned in to the high school administration before 5:00 p.m. the day of the dance. A student who obtains a guest pass is responsible for the guest's conduct.
7. Proper school dress must be worn to all school dances. Any exception to this must be cleared through the high school office.
8. To sponsor a dance, please obtain an application form from the activities director.
9. Students who are suspended or habitually truant will not be admitted to school dances.

## **FAMILY NIGHT**

In conjunction with the other schools in our conference, Wednesday night has been designated as family night. No meetings or practices involving students are to be scheduled on Wednesday night to start or extend beyond 6:30 p.m.

## **GUEST/VISITOR POLICY**

While the school understands the desire to showcase our facilities, we also must protect the academic integrity of our classes. Therefore we discourage students bringing visitors except in extraordinary circumstances. All visitors must receive permission from administration at least 24 hours in advance of said visit. A visitor form may be secured from the main office and must be properly completed and returned. The visitor is subject to all school regulations.

**The administration reserves the right to refuse visitor requests.**

If a graduate has business to conduct at RAHS, they are allowed to come to the main office and/or school counseling office. They are asked not to disrupt teachers between 8:00 a.m. and 3:25 p.m.

## **LOCKERS**

**All lockers are the property of the school and are under its jurisdiction.** Each student at RAHS is assigned an individual locker equipped with a combination lock. The student will be assigned a locker and will be responsible for remembering the combination. Only school related articles may be stored in lockers. No alterations are to be made to these lockers by either pasting decals or by gluing carpeting or wood panels to them. Keep your locker locked at all times and never leave valuables in a locker. If you have doubts, turn them in to the office for safekeeping.

Please be advised that School Board policy as well as state statutes allow a search of lockers to be conducted unannounced at anytime during the school year. This search may be extended to the parking lot. If any illegal substances are found, the matter will be turned over to law enforcement and referred to the School Board for disciplinary proceedings up to and including expulsion.

## **LOYALTY PROGRAM**

During World War I, loyalty to our Nation was stressed continually. Through the years that followed, new phases of loyalty took form. In addition to loyalty to our country, loyalty to our school, our families, our church, our community, and most of all, ourselves was emphasized. In 1918 William Arvold, the band teacher at Reedsburg High School, instituted the loyalty program.

The essence of Loyalty is to develop school spirit by encouraging participation in activities, scholarship, and citizenship. The Loyalty Program also promotes class competition and, in the students, the ability to work with others. Student Council oversees the Loyalty Program with the Loyalty Trophy being awarded to the class with the most Loyalty Points at the end of each school year. Factors in awarding the Loyalty Trophy are attendance, grade point average, participation in athletics, participation in co-curriculars, Homecoming activities, Winter Carnival activities, Spring Fling activities, and others. It is Student Council's hope that loyalty will occur during your high school career, but also to RAHS throughout the rest of your life.

## **PARKING**

1. All students must register their vehicles in the main office to receive a parking permit. There is a charge for the initial permit and for replacements.
2. All student vehicles must be parked in designated parking spots. The administration exercises the right to tow illegally or inappropriately parked vehicles.
3. Speeding, reckless operation or making excessive noise on or near school property will not be tolerated. Speed limit on school grounds is 5 mph.
4. Students will park their vehicles and immediately leave their vehicles and the parking area. When leaving the school after the school day, the student will immediately leave the parking area. No student will loiter in his/her vehicle. Keep the vehicle locked.
5. Failure to observe the above procedure may result in suspension, loss of parking privilege, and/or referral to the Reedsburg Police Department.
6. Repeated violations of school rules and regulations may result in the suspension of the driving privilege.

**\*Reedsburg School District is not responsible for damage to vehicles or contents.**

## **RELEASE OF STUDENT INFORMATION/STUDENT PHOTOS**

Student Directory Data (student's name, parents' name, and addresses) may be released to businesses and organizations requesting mailing addresses unless the parent or adult pupil informs the school office to the contrary within the first 14 days of the current school year.

### **PHOTO RELEASE**

At RAHS we follow strict rules to ensure the privacy and safety of our students. As the students participate in activities at school there are opportunities for their likeness to appear in newsprint or on television. Photos may appear in newsletters, brochures, or on the school website. Children on the website will be referred to by first name only. Photos taken directly by newspapers, or television, are excluded from this release. Unless the school receives written notification to the contrary will we continue to allow this release of information.

## **SCHOOL STORE**

The school store is sponsored and staffed by the RAHS Student Council. Available in the school store are a variety of snacks, beverages, and school supply items that can be purchased during the following hours:

**7:30 – 8:00 a.m. & 3:25 – 4:00 p.m.**

Additional items such as RAHS t-shirts, sweatshirts, and sports apparel are also available through the online store.

## **SEARCHES: GENERAL & CANINE**

Searches for contraband on RAHS students will be periodically conducted. All persons entering the building may be subject to search in accordance to district policy. Contraband found will be confiscated and turned over to school administrators for further action. Types of searches conducted: locker, hall sections, classroom, visual searches of individuals, bags, book-bags, purses, drug-detection dogs, parking lot, and vehicles in parking lot.

## **STUDENT INJURY CLAIM (STEPS TO FOLLOW)**

1. Consult a doctor within 30 days from the date of injury.
2. Notify school officials immediately of an accident. Stop in the office to fill out an accident form. The school will then notify the school's insurance company of the injury and you will receive a Proof of Claim form from that insurance company.
3. Complete the Proof of Claim form. Process the medical expenses incurred through your family insurance.
4. Have the doctor complete the Attending Physician's Statement on the back of the Proof of Claim form and attach all itemized doctor and hospital bills to the form and send to the company.
5. All subsequent bills from the same injury should be sent to the company also. Be certain to include the school name.

Benefits are payable for the expenses actually incurred within one year from the date of the injury.

## **STUDENT INSURANCE**

The school is participating in a low cost insurance program that provides benefits for medical expenses not covered by other insurance. Therefore, you must still file a claim with your own insurance company.

The school's medical insurance policy provides benefits for accidental bodily injury incurred while doing the following:

1. attending regular school session,
2. participating in school-sponsored, extra-curricular activities,
3. participating in school-sponsored, interscholastic sports,
4. traveling on a school bus directly to and from school for regular school sessions, and while traveling on a school bus directly to and from school-sponsored co-curricular activities while under the supervision of a school employee.

## **USE OF SCHOOL FACILITIES**

The use of the school building for after-school activities will be allowed only when they are regularly scheduled events or when special arrangements have been made in the office by the sponsoring teacher.

Students will not be allowed in the school building after 4:00 p.m. unless chaperoned by the teachers in charge of an event. This includes Saturday and Sunday activities.

Students and teachers will be expected to vacate the school building by 10:00 p.m. The only exception to this time limit is when regular athletic events are scheduled, when students are involved in school dances, plays or concerts. In cases of emergency, which may require students to be in the building after 10:00 p.m., special arrangements are to be made with the high school principal.

All regularly scheduled events on the official school calendar, located in the principal's office, will take precedence over other planned activities.
