

STUDENT LOCKER SEARCHES

Every student has the right to the use of the locker which has been assigned to him/her. The lockers remain the property of the school district. This policy does not preclude periodic inspections for the purposes of cleaning lockers, or, for example such actions as recovering library materials and textbooks. School administrators or their designees may search lockers with or without prior notice to the student. The student must use the locker assigned to them by the professional staff to the school.
