

Reedsburg Area High School - Code of Conduct
(An addendum to the Activities Code & WIAA Rules Summary)

RAHS CODE PARTICIPATION REQUIREMENTS

Attendance Policy:

No athlete may participate on a given day if they miss **ANY part** of a school day. This includes forgetting to scan their attendance into class or late returning from lunch.

Exceptions are absences that are due to a pre-arranged professional appointment or family emergencies. Being “sick” is not an acceptable excuse unless it is accompanied by a doctor’s note. Other absences MAY BE approved ahead of time if the RAHS Activities Office is contacted in advance of the absence.

Athletes must verify a professional appointment absence with a **professional note** tuned into the RAHS main office as proof of this professional appointment. Without a professional note, it counts as missing part of the day and students won't be allowed to participate in the practice or game.

Grades:

Grades are checked weekly to determine eligibility during the active season.

Probation: 1 - “F” -- can practice and play for 15 days

Ineligible: 2 - “F”s -- can practice but NOT play for 15 days

If after 15 SCHOOL DAYS, they are not passing ALL of their classes, these student athletes will lose the privilege to practice and compete IMMEDIATELY until ALL grades in all classes are at a passing level.

Fees:

The Sports fee for the sport of participation must be paid prior to the athlete receiving a uniform in order to participate in the first contest.
