Behavior Plan

Reedsburg Elementary Schools Care!

We believe that students should have the opportunity to learn in a safe, orderly, and caring environment. The staff of our elementary schools are committed to encouraging and expecting safe, respectful behavior from all of our students. Further-more, we believe that it is important to take a proactive approach to teaching and learning responsible and respectful behavior.

The School District of Reedsburg Elementary School-Wide Behavior Plan is a tool to help ensure consistent and clear behavioral expectations for our students and staff. This plan will be implemented throughout the school environment. We hope that this plan will help you to better understand the school and our behavioral expectations for the elementary students in the Reedsburg School District.

In an effort to work together with schools, and families, we ask that you take a few moments to review the school-wide behavior plan either on our district's website at www.rsd.k12.wi.us and select our school or request a written copy.

Please indicate your understanding and review of this plan by signing below and returning the bottom portion of this form. If you have any questions or concerns, please feel free to contact your child's teacher or the school office.

Thank you!

Sincerely,
School District of Reedsburg Elementary Staff
