Choose a Signup Method

Please choose one of the following options to begin the signup process.

3rd Party Identity Validation (Instant Activation) ⓘ

Activate instantly! You can validate your identity by answering questions from a third-party verification system.

The questions from the 3rd party system are only used to confirm your identity within that system. Your information is not stored in MyChart, or any other system.

U.S. Mail (7-10 Days)

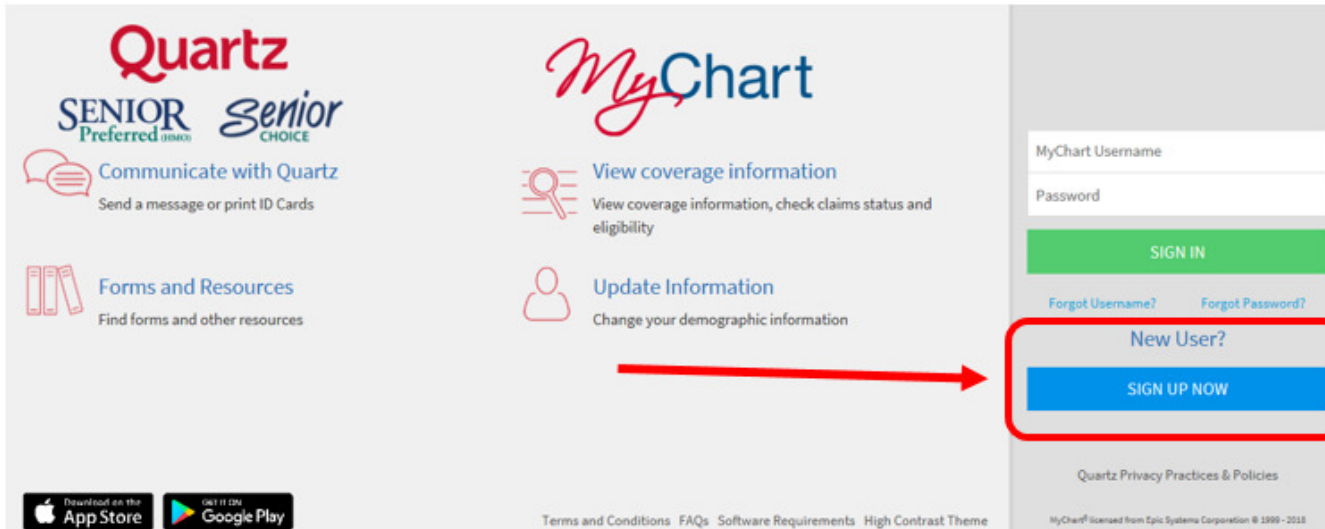

Any patient can request to receive an activation code by U.S. Mail. This will arrive in 7-10 days.

If you do not have a record in our system, please select this option.

Three Ways to Activate Code:

1. Contact Customer Service to Receive Code
2. Instant 3rd Party Identity Validation
3. U.S. Mail

Customer Service

1. Contact Customer Service at 800-362-3310
2. Ask for your MyChart Activation code
3. Access QuartzMyChart.com and click "Sign Up Now"
4. Enter MyChart Activation Code, Date of Birth and Zip Code and Click "Next"
5. Agree to Terms and Conditions
6. Login with Username and Password to begin using MyChart & Quartz Well

Request a MyChart Account

Complete the form below to request an Activation Code mailed to your home.

This account will connect to your information in the records of UW Health (University of Wisconsin), SwedishAmerican, Access Community Health Centers, and Quartz.

Parents & Guardians: To request access to your child or another person, log into your personal account and follow the instructions to request proxy access.

Before requesting an account...

Please read the [MyChart Terms and Conditions of Use](#). You may also learn more on the [FAQs](#) page.

If the information you provide does not match our records, we will contact you for clarification at the email address you provide below. Please note that most email is not encrypted, and therefore not absolutely private. We will not send any information about your health to the email address below.
