

SCHOOL PERFORMANCE DATA

Under Section 115.38(2) of the state statutes, school boards are required to notify, by January 1 each year, the parent/guardian of each student enrolled in the district of their right to request a school and school district performance report. The report must be distributed to those parents/guardians who request it by May 1 each year. District and school data regarding test results, graduation, attendance, other academic indicators, teacher quality, and more can be located on the DPI WINSS website.
