Please return to Bike Shop when you come.

A student may keep a bicycle if they work hard and attend a sufficient number of times. If you have any questions or concerns please contact either Pineview School at 768-8932 or Gary Williams at 524-2028.

Pop will be for sale at \$1.00/can—the money goes to support the program to give bikes to needy kids somewhere. This will be available as long as participants dispose properly of the cans when they are done.
